September 16, 2025

RZ-25-15, 3241 Wedgefield Rd. (City)

I. THE REQUEST

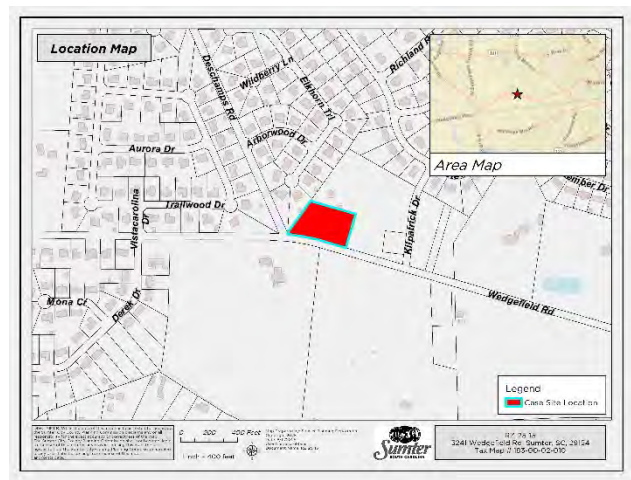

Applicant:	Gregory Googer
Status of the Applicant:	Authorized Agent for Property Owner
Request:	A request to rezone a +/- 2.2-acre portion of a 9.15 acre parcel from Residential-15 (R-15) to General Commercial (GC).
City Council Ward:	Ward 5
Location:	3241 Wedgefield Rd.
Size of Property:	+/- 2.2 acres
Present Use/Zoning:	Residential / Residential-15 (R-15)
Proposed Use/Zoning:	General Retail / General Commercial (GC)
Tax Map Reference:	183-00-02-010
Adjacent Property Land Use and Zoning:	North: Residential / Residential-15 (R-15) South: Racetrack and Agricultural / Residential-15 (R-15) and Conservation Preservation (CP) East: Undeveloped / Residential-15 (R-15) West: Residential / Residential-15 (R-15)

II. BACKGROUND

This is a request to rezone a +/- 2.2 acre portion of TMS #183-00-02-010 from Residential-15 (R-15) to General Commercial (GC).

The subject property is shown in red on the location map to the right. The property is located on the north side of Wedgefield Rd. at the intersection of Wedgefield Rd. and Deschamps Rd.

The subject property is currently developed with a single-family residence on 9.15 acres.

The parent parcel subject to this request extends from the intersection of Wedgefield Rd. and Deschamps Rd. to the intersection of Wedgefield Rd. and Kilpatrick Dr. The parcel is roughly rectangular, absent a 0.52 acre square close to the intersection of Wedgefield Rd. and Kilpatrick Dr. that is the site of the former Mt. Vernon Church's cemetery.

The site lies slightly less than 2 mi. south of a commercial node located at the intersection of Deschamps Rd. and Patriot Parkway, slightly less than 2 mi. east of a commercial node located at the intersection of Wedgefield Rd. and St. Paul's Church Rd., and slightly less than 2 mi. west of a commercial node at the intersection of Patriot Parkway and Wedgefield Rd. The nearest commercial zoning district (undeveloped) is located approximately 1 mi. to the east.

Zoning

The property is currently zoned Residential-15 (R-15). Property to the north, east, and west is also zoned Residential-15. Property to the south, across Wedgefield Rd, is zoned Residential -15 and Conservation Preservation (CP).

The purpose of the current zoning district (Residential-15, or R-15) is to recognize the essential suburban living character of significant portions of the City of Sumter where low density single-family residential development is the predominant living environment of the existing and future population.

The purpose of the proposed zoning district (General Commercial, or GC) is to accommodate the broadest possible range of commercial uses, determined principally by market conditions, while protecting the environment from potentially objectionable uses.

The applicant has indicated plans to construct a +/- 10,000 sq. ft. general retail building on the property if re-zoned. General merchandise retailers fall under NAICS code 4552 in the City of Sumter, and are permitted by-right in the GC zone and as conditional uses in the CBD and LI-W zones.

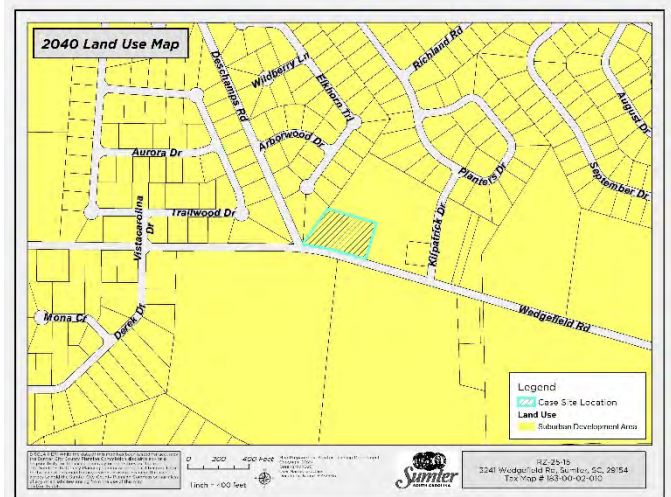

An applicant is not limited by their stated use of the subject property. If rezoned, the applicant could establish any use allowed in the GC district subject to compliance with all required standards. See attached Exhibit 1 - Use Table for the full range of land uses permitted “by right”, via conditional use approval, or via special exception approval.

If rezoned to the GC district, parking and landscaping improvements will be required as part of the use and site plan review process.

III. COMPATIBILITY WITH THE 2040 COMPREHENSIVE PLAN

The Sumter 2040 Comprehensive Plan shows that the property is in the Suburban Development Planning Area.

The primary goal of the Suburban Development Planning Area is to scrutinize and manage existing development patterns, foster intentional mixed-use development, and identify new commercial and industrial locations where form and design are a focus, all in a more efficient manner. The current westerly leapfrog approach is discouraged; infill and redevelopment in areas already suited with roads and infrastructure are more strongly encouraged.

The Suburban Development Planning Area encompasses a large area surrounding the historic core of Sumter. The area is characterized by the influences of modern suburban development: the separation of distinct commercial, residential, and industrial areas.

Functionally, this pattern of development amounts to a strict separation of homogeneous residential enclaves; strip commercial corridors and; finite, stand alone, employment centers. The pattern requires multiple automobile trips for all aspects of life: work, play, worship, and shopping. Moreover, the development pattern dictates the expensive expansion of public services, schools, and utility infrastructure to serve a more spread out community. It is largely inefficient and costly to local government and its citizens.

Three Suburban Development Planning Area Policies should be considered for this request:

- The City will support an intentional mix of uses at medium densities in order to encourage development that offers residential, commercial, recreational, and employment uses in close or reasonable proximity to one another.
- Supportive neighborhood retail and other small scale commercial opportunities are encouraged in Priority Commercial areas and other areas adjacent to residential uses in areas at major intersections and where commercial uses complete a block. Where proposed, design, form, and details will be paramount in the land use process. Larger, destination retail, employment, or other commercial uses shall be directed to Priority Commercial Areas and Priority Commercial Corridors and to major intersections and arterial corridors such as Broad St., Lafayette Dr., Guignard Dr., and McCray's Mill Rd.
- All new development is expected to mitigate its impacts on public services, community facilities, schools, and transportation networks.

IV. TRANSPORTATION REVIEW

The site has direct frontage on Wedgefield Rd., an SCDOT owned/maintained 2-lane roadway. The segment of Wedgefield Rd. at the proposed property is functionally classified as a minor arterial roadway. Per SCDOT traffic count data from Station ID# 43-0323, the annual average number of daily trips on Peach Orchard Rd. near the subject property was 5,200 in 2024.

All site developments will have their transportation impacts fully evaluated at the time of site plan approval. A thorough review of access location and line of site sufficiency will need to occur for any commercial development of this property.

V. STAFF RECOMMENDATION

While the site is located along a minor arterial corridor, the property is located in a residentially dominated area with the only non-residential use in the vicinity being the non-conforming, not subject to discontinuance use represented by the Sumter Speedway to the southeast.

As a general practice, commercial development should be carefully weighed in this area, particularly General Commercial (GC) uses, as the GC zoning district permits a wide variety of commercial uses.

Staff is unsupportive of the GC district designation, which allows the broadest range of commercial uses, being applied to this property due to the potential for conflicts with surrounding land uses. Staff is more supportive of the Neighborhood Commercial (NC) designation being applied to the property. This district is intended to meet the commercial and service needs generated by nearby

residential development. However, staff notes that the NC district does not allow for a general merchandise store which is the applicant's desired end use.

VI. DRAFT MOTION

- 1) I move that the Planning Commission recommend **approval** of RZ-25-15, rezoning a +/- 2.2 acre portion of parcel TMS #183-00-02-010 from Residential-15 (R-15) to General Commercial (GC).
- 2) I move that the Planning Commission recommend **denial** of RZ-25-02, rezoning a +/- 2.2 acre portion of parcel TMS #183-00-02-010 from Residential-15 (R-15) to General Commercial (GC).
- 3) I move an alternate motion.

VII. PLANNING COMMISSION – August 27, 2025

The Sumter City – County Planning Commission, at its meeting on Wednesday, August 27, 2025, voted to forward an approval recommendation to City Council concerning your request to rezone a +/- 2.2-acre portion of a 9.15-acre parcel from Residential-15 (R-15) to General Commercial (GC). Four commission members (Brown, Price, Walker, Ivey) voted in favor and two commission members (Harvin, Rivers) voted in opposition of the request.
